

USC Leadership Involvement

School of Cinematic Arts Leadership Circle:

The excellence of the entertainment world's future rests squarely on providing the highest caliber education to the creatives, scholars, and innovators who will become leaders in the industry and art form. By joining the USC School of Cinematic Arts Leadership Circle group of alumni, family and friends, you will have the opportunity to shape this future now and for generations to come.

Members of the USC School of Cinematic Arts Leadership Circle receive a variety of courtesies recognizing their special relationship with SCA. When you contribute to the Cinematic Arts Leadership Circle, you are directly sustaining the excellence of the first - and most widely respected - film, television, and interactive media arts and entertainment program in the country. Through these special lifetime memberships, the Cinematic Arts Leadership Circle provides vital resources for crucial needs.
