

USC School of Cinematic Arts

Your School. Your Community. Your Network. Are you in?

The SCA Network is the best way to connect to fellow alumni and current students of the School of Cinematic Arts, while supporting your alma mater. Everyone remembers 290, 466, 467, 507, the Committee, First Look, First Frame, First Film, First Pitch, and the "old" buildings. These special memories are shared by all members of our SCA community. Through exclusive preview screenings, mixers and special events, you can share and reminisce in these great memories, while staying in touch with SCA and building your network.

Annual SCA Network members receive the courtesies below, and in addition, receive access to special and exclusive SCA events, services and SCA swag. Now, more than ever, is a great time to join your fellow Trojans and build your SCA connections.

For more information on the SCA Network and how you can get involved, please contact James Gagnon in the Office of Alumni Relations and Annual Giving at jgagnon@cinema.usc.edu or by phone at 213-740-2804.
